## OUR COMMITMENT TO THE COMMUNITY

Crossroads is an open and affirming church that is inviting, equipping and encouraging people to walk the peacemaking path of Jesus in their everyday, normal lives. Together, we work and partner with others to end The Five Unacceptable Truths of our world: Spiritual Emptiness, Poverty, Illiteracy, Fear of the Other and Modern-Day Slavery. Our values of Inclusion, Wisdom, Generosity, Creativity and Fun guide us in this peacemaking work.

APRIL 2024

 CROSSROADS  
CHURCH

Meet Crossroads member Roy Tripi. In his everyday normal life, Roy recently became the principal at Berthoud High School. As an educator for 26 years and an administrator for 7, Roy understands how Fear of the Other can ultimately lead to Illiteracy. He is excited about the opportunity to develop and support a school community at BHS that is welcoming and inviting for each person that enters the building, laying the groundwork to address these Unacceptable Truths.

# Welcome! WELCOME TO CROSSROADS

We believe you're here for a reason and that this time can be meaningful. If this is your first time here, thanks for having the courage to come. All of our volunteers and staff are excited to help you have a great experience today. Here are three things you should know as you Connect with Crossroads.

1. Crossroads is reimagining life-giving faith in terms of **peacemaking** that begins with finding and giving hope. A life of faith is an adventure into the mystery of divine love that heals and includes everyone and everything.
2. We would love to connect with you. The easiest way is to use the **Connect Card** that everyone fills out every week. Check the box "I'm New Here" and we'll point you to a variety of resources. If you'd like to have coffee with me (Ryan), my cell phone number is **207-608-1106**. Send me a text and we'll set something up.
3. Crossroads offers age-appropriate programs every week for **children and students** ages birth - 18 years old. Our **disability inclusion team** serves children and students with disabilities every Sunday morning. To learn more about any of these programs, check the box on your Connect Card.

Thanks for exploring this adventure of faith with us.

## DONATIONS CREATE FUN FOR THE WHOLE COMMUNITY

Crossroads loves kids! This year's FUN Easter egg hunt was made possible through many generous donors and volunteers. Thank you to everyone who donated eggs, candy, toys and cash, as well as to all the volunteers who hid eggs around the facility. No matter how you give, thank you for your generosity that sustains programming that follows the Crossroads values of Fun, Inclusion, Generosity, Creativity and Wisdom.
