

OUR COMMITMENT TO THE COMMUNITY

As a local church we are committed to the holistic health and safety of all our community members regardless of their religious beliefs. We believe all people are loved and accepted by God equally and without qualification. We love everyone by including and affirming all people regardless of race, gender, sexuality, class, disability or immigration status. In all our work we value inclusion, fun, generosity, creativity and wisdom.

WISDOM

SEEKING BEYOND RULES AND ANSWERS

WELCOME TO CROSSROADS

We believe you're here for a reason and that this time can be meaningful. If this is your first time here, thanks for having the courage to come. All of our volunteers and staff are excited to help you have a great experience today. Here are three things you should know as you Connect with Crossroads.

1. Crossroads is reimagining life-giving faith in terms of **peacemaking** that begins with finding and giving hope. A life of faith is an adventure into the mystery of divine love that heals and includes everyone and everything.
2. We would love to connect with you. The easiest way is to use the **Connect Card** that everyone fills out every week. Check the box "I'm New Here" and we'll point you to a variety of resources. If you'd like to have coffee with me (Ryan), my cell phone number is **207-608-1106**. Send me a text and we'll set something up.
3. Crossroads offers age-appropriate programs every week for **children and students** ages birth - 18 years old. Our **disability inclusion team** serves children and students with disabilities every Sunday morning. To learn more about any of these programs, check the box on your Connect Card.

CROSSROADS CELEBRATES UNIQUE PATHS TOWARD GENEROSITY

At Crossroads, we know that stories reveal the many different ways God works in the world, providing encouragement and inspiration. As part of our recent *Courageous Generosity* teaching series, Crossroads member Rich Stein shared his story: how an unexpected path toward giving has led to a life of generosity. To hear Rich's story, scan the QR code and follow the link. We try to make giving as easy as possible. No matter how you give, thank you for your faithfulness in generosity.
